Translator's note:
Who's Rikimaru and what's a Poison Rice Ball?

Rikimaru is the main protagonist of the Tenchu series. Tenchu was originally developed by Acquire, and the rights to the series was purchased by Fromsoftware in 2003.

His speech is slightly archaic in the 4-koma.

痺れ団子
Poison Rice Ball/Shibire Dango
(It's more like a rice dumpling more than a rice ball...)

He can use Poison Rice Balls to poison and kill guards.
Don't be like Cookie. Don't try this at home.
Thanks to the people at the Tenchu Wikia for this info, and Phantom Stranger for the images.
